To the Citizens of Pineville:

After much prayer, wise counsel, and reflection with my family, I have decided not to seek another term as City Councilman for District 5.

Serving the City of Pineville for more than two decades has been one of the great honors of my life. I am deeply grateful for the trust placed in me and for the opportunity to work alongside dedicated public servants across our City, Parish and State.

I also want to say a special thanks to our city employees, who are the real heroes of Pineville's success. They work tirelessly every day to make Pineville the wonderful community it is! Many times, elected officials receive praise for the work being done or the service being offered, and I want our city employees to know how grateful I am for their hard work.

Looking back, I am indeed proud of the progress our city has made and thankful for the many relationships formed along the way over these last 23 years. To the citizens of District 5, thank you for allowing me to represent you these past six terms.

Turning 60 this past year has caused me to become more reflective. In this season of my life, I believe God is calling me to give my full attention to my family (and especially my grandchildren!) and to the pastoral ministry He has entrusted to me.

I remain committed to Pineville and will continue to support our city, its leadership, and its people through prayer, service, and meaningful community involvement. I step away from this role with a clear conscience, a grateful heart, and confidence that the Lord orders our steps.

Thank you to everyone who has supported me through the years. It has truly been an honor to serve.

Sincerely,

Nathan Martin
