

**AMENDMENT #2
REQUEST FOR PROPOSALS
DISASTER DEBRIS REMOVAL & DISPOSAL**

Date: September 7, 2020 at 11:30 am

This AMENDMENT #2 is issued as follows:

- 1.** The introductory page of this RFP at Page 2 states at Section 5 and 6:
 - 5.** Bids may be held by the CITY of Pineville for a period not to exceed twenty-four (24) hours from the date of opening the proposal for the purpose of reviewing and investigating the qualifications prior to award.
 - 6.** Official action may be taken within twenty-four (24) hours hours by the CITY of Pineville.

These Sections 5 and 6 at Page 2 were amended to state:

- 5.** Bids may be held by the CITY of Pineville for a period not to exceed seventy-two (72) hours from the date of opening the proposal for the purpose of reviewing and investigating the qualifications prior to award.
- 6.** Official action may be taken within seventy-two (72) hours by the CITY of Pineville.

2. The following Section 11 of the Special Conditions at page 17 states:

Progress Reports: Contractors shall provide daily progress reports to the Monitor within 24 hours. Such reports shall contain, at a minimum; total quantity collected by type of debris, daily totals by debris type, and maps and description of the geographical areas addressed by the Contractor.

This Section 11 of the Special Conditions at page 17 was amended to state:

Progress Reports: In conjunction with the Debris Monitor, Contractors shall provide daily progress reports within 24 hours. Such reports shall contain, at a minimum; total quantity collected by type of debris, daily totals by debris type, and maps and description of the geographical areas addressed by the Contractor.
